

RECRUITING STATION TAMPA

COMMAND PHILOSOPHY

Purpose: To sustain the lethality of the Marine Corps through shipping high quality applicants and fostering a culture of aggressive initiative, winning, and comradery.

Communication

Leadership by Example – Actions inspire. Strong moral character & resiliency is a must.

360 Feedback – Feedback from all ranks is critical to success.

Clear Concise Communication – Clear task & purpose enables efficiency in achieving objectives.

Serve with a Happy Heart

Team First – family always – Those who find a way to win and support others will be rewarded.

Life Changing Impact – Impart the habits and Corps values on Tampa to uplift the community.

Attitude – Motivation and initiative conquers all.

Culture of Growth

Humility – Greatness comes from humble beginnings and honest work.

Character – Every interaction starts with dignity and respect.

Growth – Invest in people both personally and professionally.

Endstate: A team first organization that always meets mission and ready to support others as required. Every member of the team serves with a happy heart, knows their voice is heard, and views every day as an opportunity to grow.
